RE: State of Georgia v. Scott Davis
Indictment # 05SC37460

Dear Mr. Morris:

I am writing in response to your discovery motion dated January 24, 2006. This letter serves to memorialize many of the conversations that we have had about these matter over the past few weeks. I will address your issues in the order in which they were raised by your motion:

Furthermore, as we have discussed on the telephone in detail today, most of the physical evidence in this case has been either lost or destroyed by the Dekalb County Police Department and the Atlanta Police Department. As for the evidence recovered in David Coffin, Jr.'s Porsche, that evidence has been destroyed by the Dekalb County Police Department. Please see bates stamp # 162-166 referencing that destruction. As for the Baretta handgun, the shell casing, and the projectile from the victim's residence, they have been lost or destroyed by the Atlanta Police Department. The evidence that is remaining was seized from your client and has been detailed in a report by Investigator Harvey at bates stamp page 856.

Should you need any additional information in this matter, please call me at

Sincerely,

Sheila A. Ross
Assistant District Attorney
Atlanta Judicial Circuit
