Hey Steve,=0A =0ADon't worry about not being at Court today. What I have l=
earned through this whole twisted affair is that family comes first. I did=
n't get on the stand until after lunch. The prosecution is still going thr=
ough the story with me. Unfortunately I think I will be on the stand until=
at least Wednesday. For some reason court adjourns at noon tomorrow, whic=
h won't give me a lot of time to finish.=0A =0AThings went as well as can b=
e expected. I was really nervous at first, but then I settled down. So fa=
r I just had to answer friendly fire questions, so it wasn't that difficult=
. It was really hard to see Scott face to face, but that is to be expecte=
d. Unfortunately the court ruled that past bizarre things that Scott did (=
while we were dating) to break me up with people can not be used in this ca=
se. That is a big blow to the prosecution. sigh. =0A =0AI am holding up =
OK, I will see how damaged I feel after the cross.=0A =0Atalk soon,=0A =0AM=
